August 2022

Dear Members:

This year North Shore Community Support Services has four vacancies on our Board of Directors. As you can see by the enclosed form, Directors are asked to make a time commitment to the North Shore Community Support Services, Inc. Notwithstanding that consideration, participation on the Board of Directors is a gratifying and rewarding experience.

For many years, our organization has provided a significant role in the delivery of community mental health programs in our community of Elliot Lake and along the North Shore. As you know, our Health and thus Mental Health systems are and have reorganized into Ontario Health Teams. If North Shore Community Support Services, Inc. is to continue to play a meaningful role in influencing the redesign of the health care system, we will need a strong, diverse and talented group of Board members to guide us.

I sincerely hope that some of you will consider standing for the nomination to the Board for the year 2022 - 2023. The Nominations committee will be drafting the slate to be approved by the full Board and forwarded to the General Membership at the Annual General Membership meeting.

I have enclosed a Board Nomination Form and some background information, and would be pleased to answer any questions that you might have about the criteria or responsibilities of the position; you may reach me through North Shore Community Support Services, Inc. 705-848-2879 x211

Sincerely,

Charles Houle

Charles Houle,
