## Doge Reviews: Squid Games

For those seeking out a television series filled to the brink with exhilarating components such as mystery, suspense, and captivating characters, Squid Game may be the perfect masterpiece to binge watch in your free time. The story takes place around a group of characters, all facing financial ruin, who have been elected to play in a series of children's games for an impressive cash prize. However, they soon learn the deadly stakes surrounding their gameplay. As a Survival/Thriller/Horror/Drama from South Korea, because of its combination of dark themes, various types of mature subject matter and generally sombre mood at some parts, this show is definitely intended for adult audiences. Alongside its pattern of heartwarming moments, and breathtaking storyline, the profound ideas and events that have brought many questions to light within the minds of those watching can resonate to its viewers, an entire array of thoughts and feelings. It is implied the next season will likely be released late 2022 or 2023. This time, the director, Hwang Dong-hyuk, has plans to share the production with a team of experienced writers and directors rather than singlehandedly handle the scriptwriting/planning process himself "I don't have well-developed plans for Squid Game 2. It is quite tiring just thinking about it. But if I were to do it, I would certainly not do it alone. I'd consider using a writers room and would want multiple experienced directors." he said in an earlier interview. As such, with Squid Game becoming a huge global success and recently being confirmed for a season 2 renewal on Netflix, it can assumed with certainty that the show will satisfy and exceed the expectations of fans anticipating its arrival all over the world. -Fan-

## **December 6 The National Day of Remembrance and Action on Violence against Women**

It has been 31 years since the tragic mass shooting at l'École Polytechnique de Montréal (December 6, 1989) that saw the promising lives of 14 young women cut violently short. This senseless act of targeted violence shook our country and led Parliament to designate December 6 as The National Day of Remembrance and Action on Violence against Women.

On December 6, we remember **Geneviève Bergeron, Hélène Colgan, Nathalie Croteau, Barbara Daigneault, Anne-Marie Edward, Maud Hav-  
iernick, Maryse Laganière, Maryse Leclair, Anne-Marie Lemay, Sonia Pelletier, Michèle Richard, Annie St-Arneault, Annie Turcotte, and Barbara Klucznik-Widajewicz.**
